MARCH 16, 2009

FOR IMMEDIATE RELEASE

**NO TIPS ACCEPTED AT LOCAL SALON AND DAY SPA –
HELPS WITH DIFICULT ECONOMY**

All salon & spa employees ask for referrals in place of gratuities.

Indianapolis, IN—Tyler Mason Salon Spa’s, the official salon and spa of the Colts Cheerleaders, employees ask for referrals in place of gratuities -- giving Indianapolis residents a break during this tough economic time.

The no-tipping policy has been a consistent factor in the salon’s growth for over 16 years. The mandatory no-tipping policy provides salon and spa guests an easy way to save money and eliminates all tipping stress. The salon and spa technicians provide great service and embrace this policy because it provides them with referrals, which helps grow their business and increases their future income.

“Our no-tipping policy is really a win – win for everyone involved and has helped our business flourish. Our guest’s have more important things to worry about than how much they should tip their technician. Our primary goal is for them to feel relaxed and stress-free during each visit. Our guests know they’ll always receive exceptional service at a great price.” said Tammie Baker, owner Tyler Mason Salon Spa.

Tyler Mason is a full service salon and spa located on the Westside of Indianapolis since 1992. For more information about Tyler Mason no-tipping policy, please contact Elizabeth Wilson at 317-271-3330 or by email at info@tylermason.com.
